Dear Friend,

Longview Child Development Center's annual Pickleball Brawl is just around the corner and we need sponsors! The PBB has become a regular fundraising event for our school and this, our fifth tournament, will assist us with continuing to provide our services to Longview which are so desperately needed.

LCDC has been serving low-income families in South Longview for over 40 years. This year's Pickleball Brawl, a fun and competitive event at Guthrie Park on Saturday, October 3rd & Sunday, October 4th, is not only to raise funds for our school, but to help spread the word about who we are and what we do! We need your help. Please consider being a sponsor for this exciting new event.

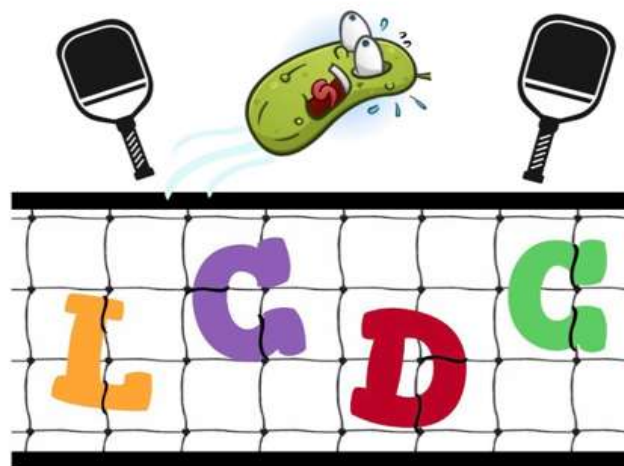

Your tax-deductible donation will make a difference in the lives of so many!

Each day the doors open at Longview Child Development Center (LCDC) to help **break the cycle of poverty** by providing an academically challenging preschool education. We offer affordable childcare to low income, hard-working families, empowering hundreds of individuals to be self-sufficient, productive, and contributing citizens in our community.

To support their families, they need to work and in order to work, they need reliable childcare.

The children of Longview and surrounding areas deserve a positive and safe learning environment. Government assistance through welfare or leaving children with relatives or neighbors often result in unreliable childcare or neglectful supervision, nutrition, and education. **Let's break this cycle.**
